Heating installer basks in the warm of glow of top award

A SELF-EMPLOYED dad is radiating success - after he was named Heating Installer of the Year for 2016. Dennis Hollingworth, 36, of Offerton, is the owner of Hollingworth Heating and was given the award for the north of England having worked in the industry for two decades. He is now gunning for the national title and your... "We already know that..."

customers and instances of going above and beyond the call of duty. And they decided Dennis, father of Jack, 11, and Milla, four, found the bill. Chris Ingram, a judge from Continental Underfloor, the company which established the awards, said: "The calibre of entries in the first year of the awards scheme has been exceptional."

Dennis Hollingworth named Heating Installer of the Year

After months of anticipation, the first UK's Heating Installer of the Year has finally been announced as Dennis Hollingworth of Hollingworth Heating, Stockport, following an overwhelming public vote.

Taking home the inaugural UK Heating Installer of the Year award, Dennis, representing the North, was announced as the winner during a special presentation at industry trade show Topical 2016 on 11th May 2016. He overcame competition from seven other regional winners to take the national title after thousands of supporters from across the country cast their votes online.
