

TAKE A CLOSER LOOK.  
LONG FORMAT BRICKS.

## Think outside the 215X102.5x65mm box.

This month as part of the Take A Closer Look campaign, we're putting our Roman and Megaline Long Format Brick ranges under the spotlight. With the enhanced Roman range now featuring seven new models - each of them waterstruck for a truly unique finish - and the trend for longer, thinner format bricks now taking the industry by storm, maybe it's time to start thinking outside of the 215x102.5x65mm box?
